FROM THE DIRECTOR’S DESK

A NOTE OF APPRECIATION FROM THE ETS STAFF

Dear ETS students, parents and school communities:

We are grateful for the honor of working with you. The ETS staff have many fond memories over the years, and we wanted to share a few with you here.

LISA: On a junior overnight trip several years ago every student chose to ride a horse on a trail ride. Many people had never done this before, but were encouraged by their peers to give it a try. It was fun and exhilarating for us all!

ALLYSON: I’ve most loved the conversations during meetings—the questions you asked and explored together. Watching (and helping) you all find your path was my absolute favorite thing.

SHELBY: My favorite moment was taking students on their first college visit to NKU and UC. They were a younger group and asked a lot of great questions. I believe this visit sparked their interest in reaching their goals of attending college.

It is our wish for each of you to remain curious, pursue your passions and never stop learning. All lives are richer when they are lived fully and with purpose.

Use your gifts to change the world!

“Your life is limited by the limits of your thoughts.”
Albert Einstein

All the very best,

Lisa
Allyson
Shelley

The last annual ETS Summer Camp was an absolute success! From June 12-15, 2017, 32 students, three NKU RAs and the ETS staff lived on NKU’s campus. Students took classes in careers, creative writing and leadership. Outside of class time, there were tons of activities to introduce the campers to each other, to our amazing NKU RAs and to life as a college student. On the final night of camp there was a field trip to Kings Island. Cheers to the best Summer Camp yet!
ETS may be ending, but all the things we explored in our meetings together can continue to help you be successful. We leave you with these few tips to motivate you as you make your way towards high school graduation and beyond. **You can do it!** We know you can and WE BELIEVE IN YOU.

**YOU CAN DO IT!**

**TRY EVERY DAY.** In school, work and your personal life. These are YOURS; make the most of them!

**DON’T SELL YOURSELF SHORT.**
Remember the “Little Engine That Could.” Instead of “I can’t do this,” say “I think I can.” (Because you CAN!)

**USE YOUR RESOURCES.** Ask questions. Seek out your teachers, counselors or administrators when you need their help. They’re there to help you succeed.

**WORK HARD & BE NICE TO PEOPLE.**
Giving your all and treating others how you’d like them to treat you takes you far. Give what you hope to receive.
And will you succeed?

YES!

You will, indeed! (98 and 3/4 percent guaranteed.)

KID,

YOU’LL MOVE MOUNTAINS!

Oh, the Places You’ll Go! by Dr. Seuss

CONGRATULATIONS,
CLASS OF 2017!
